

# Beecher Terrace Redevelopment

Economic Inclusion Outreach Session November 27, 2018

## Important Details

Thank you to everyone that participated in the Outreach Session. For your information, as well as for those who were unable to attend the session, we have attached a copy of the presentation and attendee list. We recommend that all vendors become prequalified with Messer if you are interested in pursuing our projects. We encourage you to complete the prequalification process as it will expedite awarding contracts to the lowest, successful bidder. However, if you are planning to bid the Beecher Terrace Redevelopment project as a prime subcontractor, it is required that you complete the following steps.

- Step 1:** Register as a vendor with Messer: Complete prequalification submission on iSqft: <https://www.messer.com/subcontractors/>
- Step 2:** Look for a bid invitation from ISQFT that will be distributed on **December 10, 2018**
- Step 3:** Mark that you **"Will Bid"** on the iSqft invitation to bid

### *For questions related to:*

- **Project Specific Details:** Stephanie Pierson, Project Manager at [spierson@messer.com](mailto:spierson@messer.com).
- **Prequalification:** Mike Huwel, Insurance Program Executive, [mhuwel@messer.com](mailto:mhuwel@messer.com)
